## Directions

This assignment is basically an experiment designed to be done over the span of a couple days. It makes a good weekend project. Simply take the worksheet “Vegetable Dyes Are Hard to “Beet” from the file, and follow the directions listed on it. Be careful not to damage your clothing, tablecloth, etc. with the dyes. Use the chart at the bottom of the worksheet to record your results, and turn in both the worksheet and the dyed cloth strips to your trail boss. If your overall work shows that you put good effort into the assignment, you will receive the full score.
